REQUEST FOR CORRECTION OF INVENTORSHIP

Honorable Director of Patents and Trademarks
PO Box 1450
Alexandria VA 22313-1450

Dear Sir:

It is requested that the inventorship of this application be corrected pursuant to 37 C.F.R. §1.48(a) to correct the inventorship for this application in order to delete Roy Harold Mauger as an inventor and substitute David John Stacey.

This application is a continuation of what has now become U.S. Patent No. 6,731,635, and a similar request has been filed regarding that patent. Unfortunately, although the request was filed with the Patent and Trademark Office in September, 2004, the Patent and Trademark Office never acted on the request.

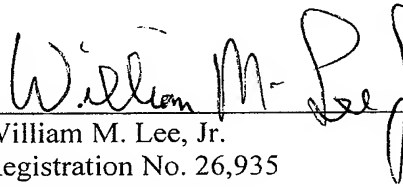

In accordance with 37 C.F.R. §1.48(a), the following requested information is provided, that information being identical to the information submitted regarding parent Patent No. 6,731,635.

- (1) A request, which is the paragraph immediately above;
- (2) A statement from each person being added and deleted;

- (3) A substitute Declaration (which given the fact that this application is a continuation, is properly filed in what has now become Patent No. 6,731,635);
- (4) The fee of \$130.00 pursuant to 37 C.F.R. §1.17(i); and
- (5) Written consent of the assignee, which is in relation to Patent No. 6,731,635 which is the parent of this continuation application.

Correction of the inventorship for this application is therefore requested.

Respectfully submitted,

A handwritten signature in cursive script, reading "William M. Lee, Jr.", written over a horizontal line.
